After twenty-five centuries the Acropolis at Athens still stands as a symbol to all the world for that brief moment in history when man achieved his finest hour. The flawless proportions of the Parthenon tell us of a noble race dedicated to perfection in all things; the graceful maidens of the Nike Temple testify to a universal love of beauty that precluded ugliness and brutality; the Discus Thrower tells us of a vigorous breed who sought physical well-being through moderation in all things and the pursuit of excellence; the Winged Victory epitomizes for eternity man's unquenchable desire to be free. Truly these symbols speak to all of us; surely we need to listen.

In the belief that young Americans in 1964 desperately seek firm and worthy values to serve as guides in the constant choice-making of everyday life, we, the Lens staff, have restated some of those practical ideals that lifted the Athenians to such pinnacles of greatness. By borrowing their lofty ideals and dedicating ourselves to them, we can endow our own lives with something of the race, nobility and purpose that was ancient Greece.

As young Americans, we are all searching for goals and standards by which to live. We must never forget that what we are going to be, we are now becoming. The Lens Staff hopes that the presentation of this yearbook may supply these necessary guideposts for better living.

If we have helped you, the future citizens of America, to become better individuals, then we have accomplished our purpose.

Principal

The proud history of our great high school is well portrayed each year by the Lens, a yearbook that is worthy of the traditions which it perpetuates. This year's Lens is an outstanding successor to the many yearbook publications which have preceded it. My sincere thanks and congratulations to the excellent and hard working staff which has produced the 1964 version of the Lens.

It is a distinct privilege for me to be associated with Washington High School, its enthusiastic student body, its most excellent staff, and its traditions of outstanding accomplishments in all areas of student endeavors. May this excellence continue through the years so that graduates will always look back with nostalgic pride to their years as students of this distinguished school.

In Appreciation

Miss Oberg

Miss Oberg, who has been a biology teacher and counselor at Wa-Hi for 38 years, will retire this year. Previously she taught on Vashon Island for two years and later for one year as an exchange teacher in Hawaii.

After her retirement she plans to spend her time at the beach and "forget to live by a bell." When she returns to Portland, she plans to take part in the activities of various groups.

The students of Washington, whose parents were but small children when Miss Oberg came to Wa-Hi, wish her a fond farewell and may she enjoy many years of happy, active retirement which she so greatly deserves.

Mrs. Bacon

After forty-two years of teaching, thirty of which were spent teaching English and history at Washington, Mrs. Bacon is retiring. She had previously taught at Rainier for seven years. She had the added distinction of being a basketball coach in eastern Oregon before college.

Upon retiring she plans to travel a great deal, including in her itinerary: Mexico, the Grand Canyon, and San Francisco. Mrs. Bacon will keep busy in her spare time by taking care of her two cats and her garden.

The many, many people who have had the pleasure and good fortune of having Mrs. Bacon as their teacher, friend, or acquaintance, join the Lens in wishing her many years of continued success.

Ken Camp

Born—March 9, 1946
Died—February 13, 1964

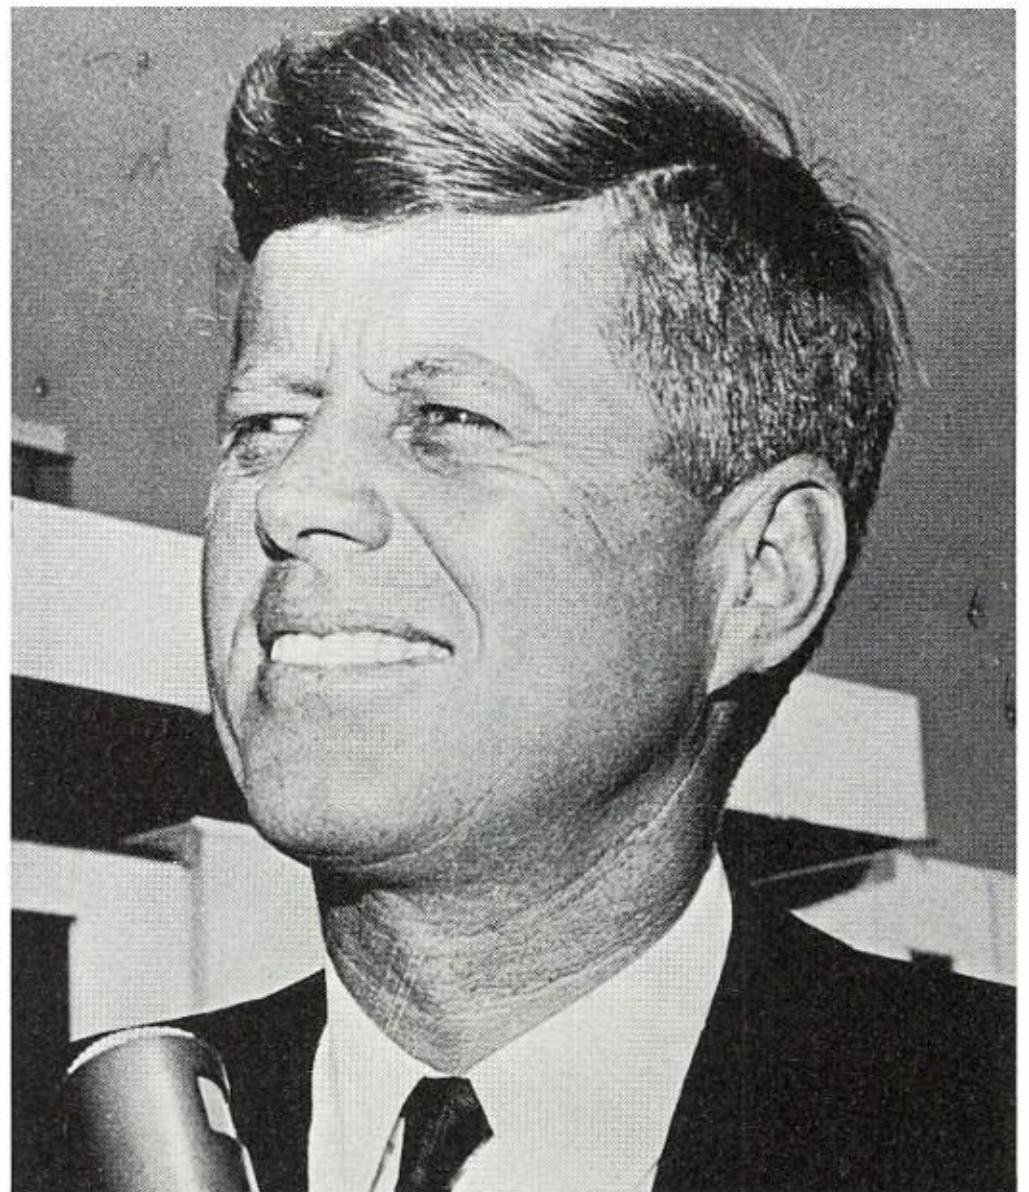

During the brief seventeen years of his life, Ken established himself as an energetic and hard-working person. He was well-liked by everyone and had about him a warm glow of friendliness. Memories of Ken will linger forever with all who knew him.

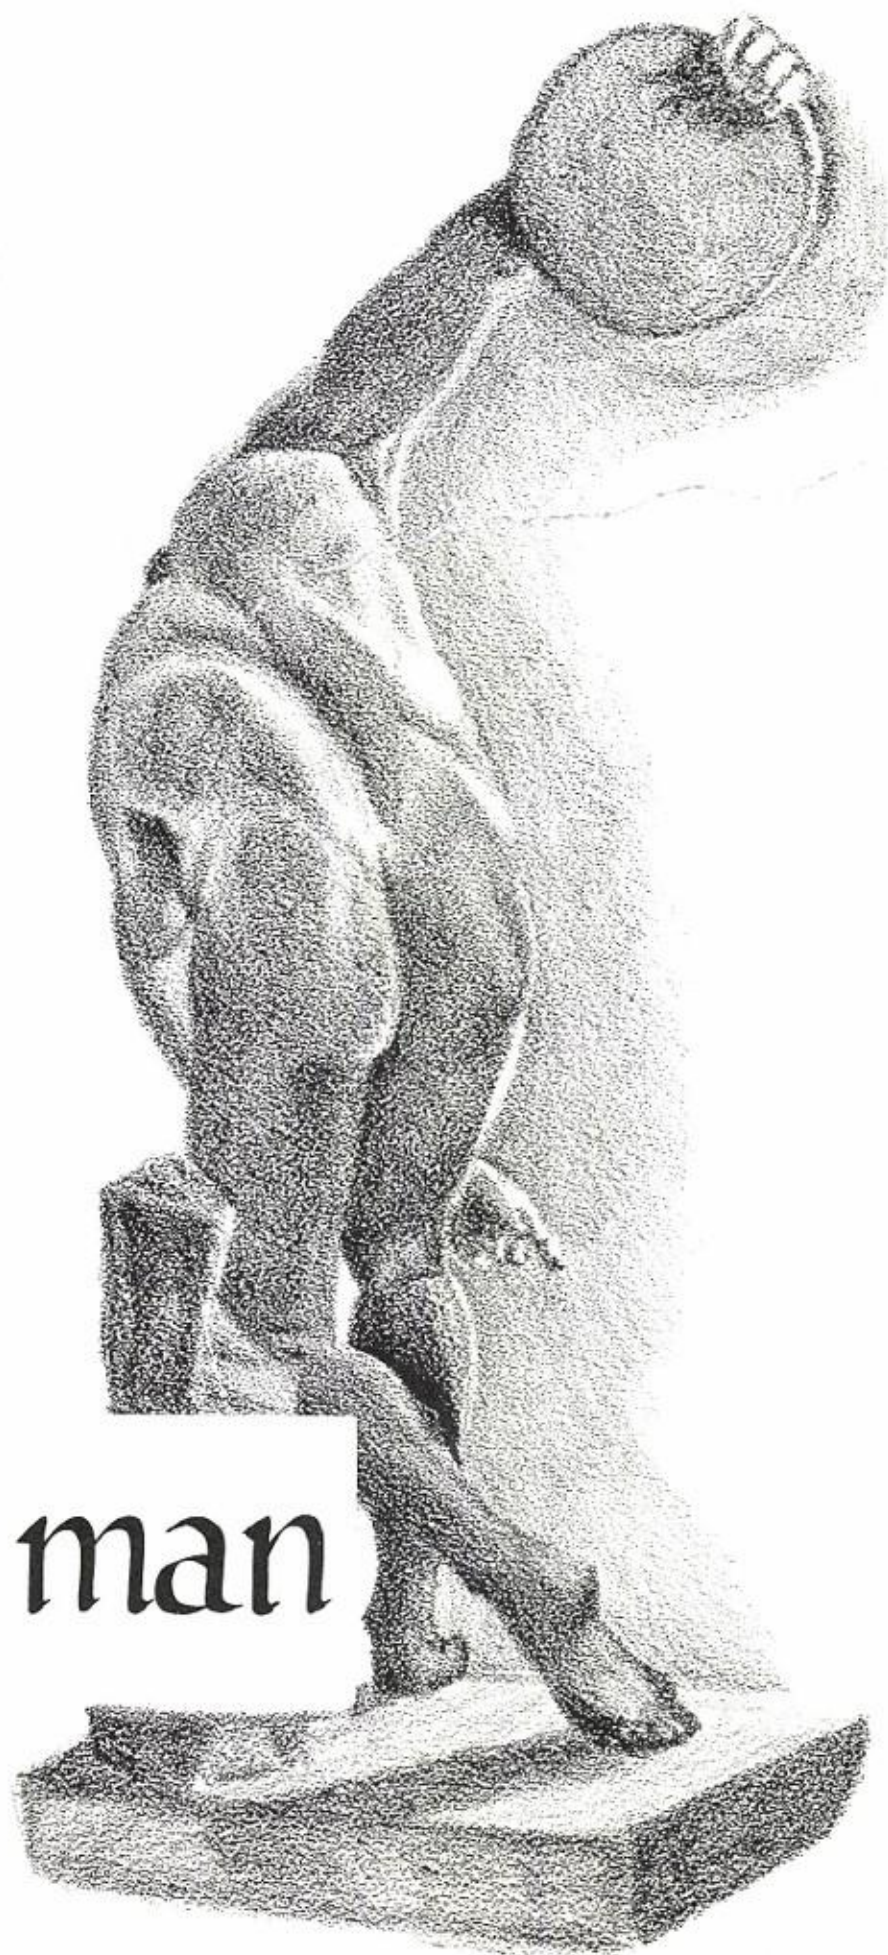

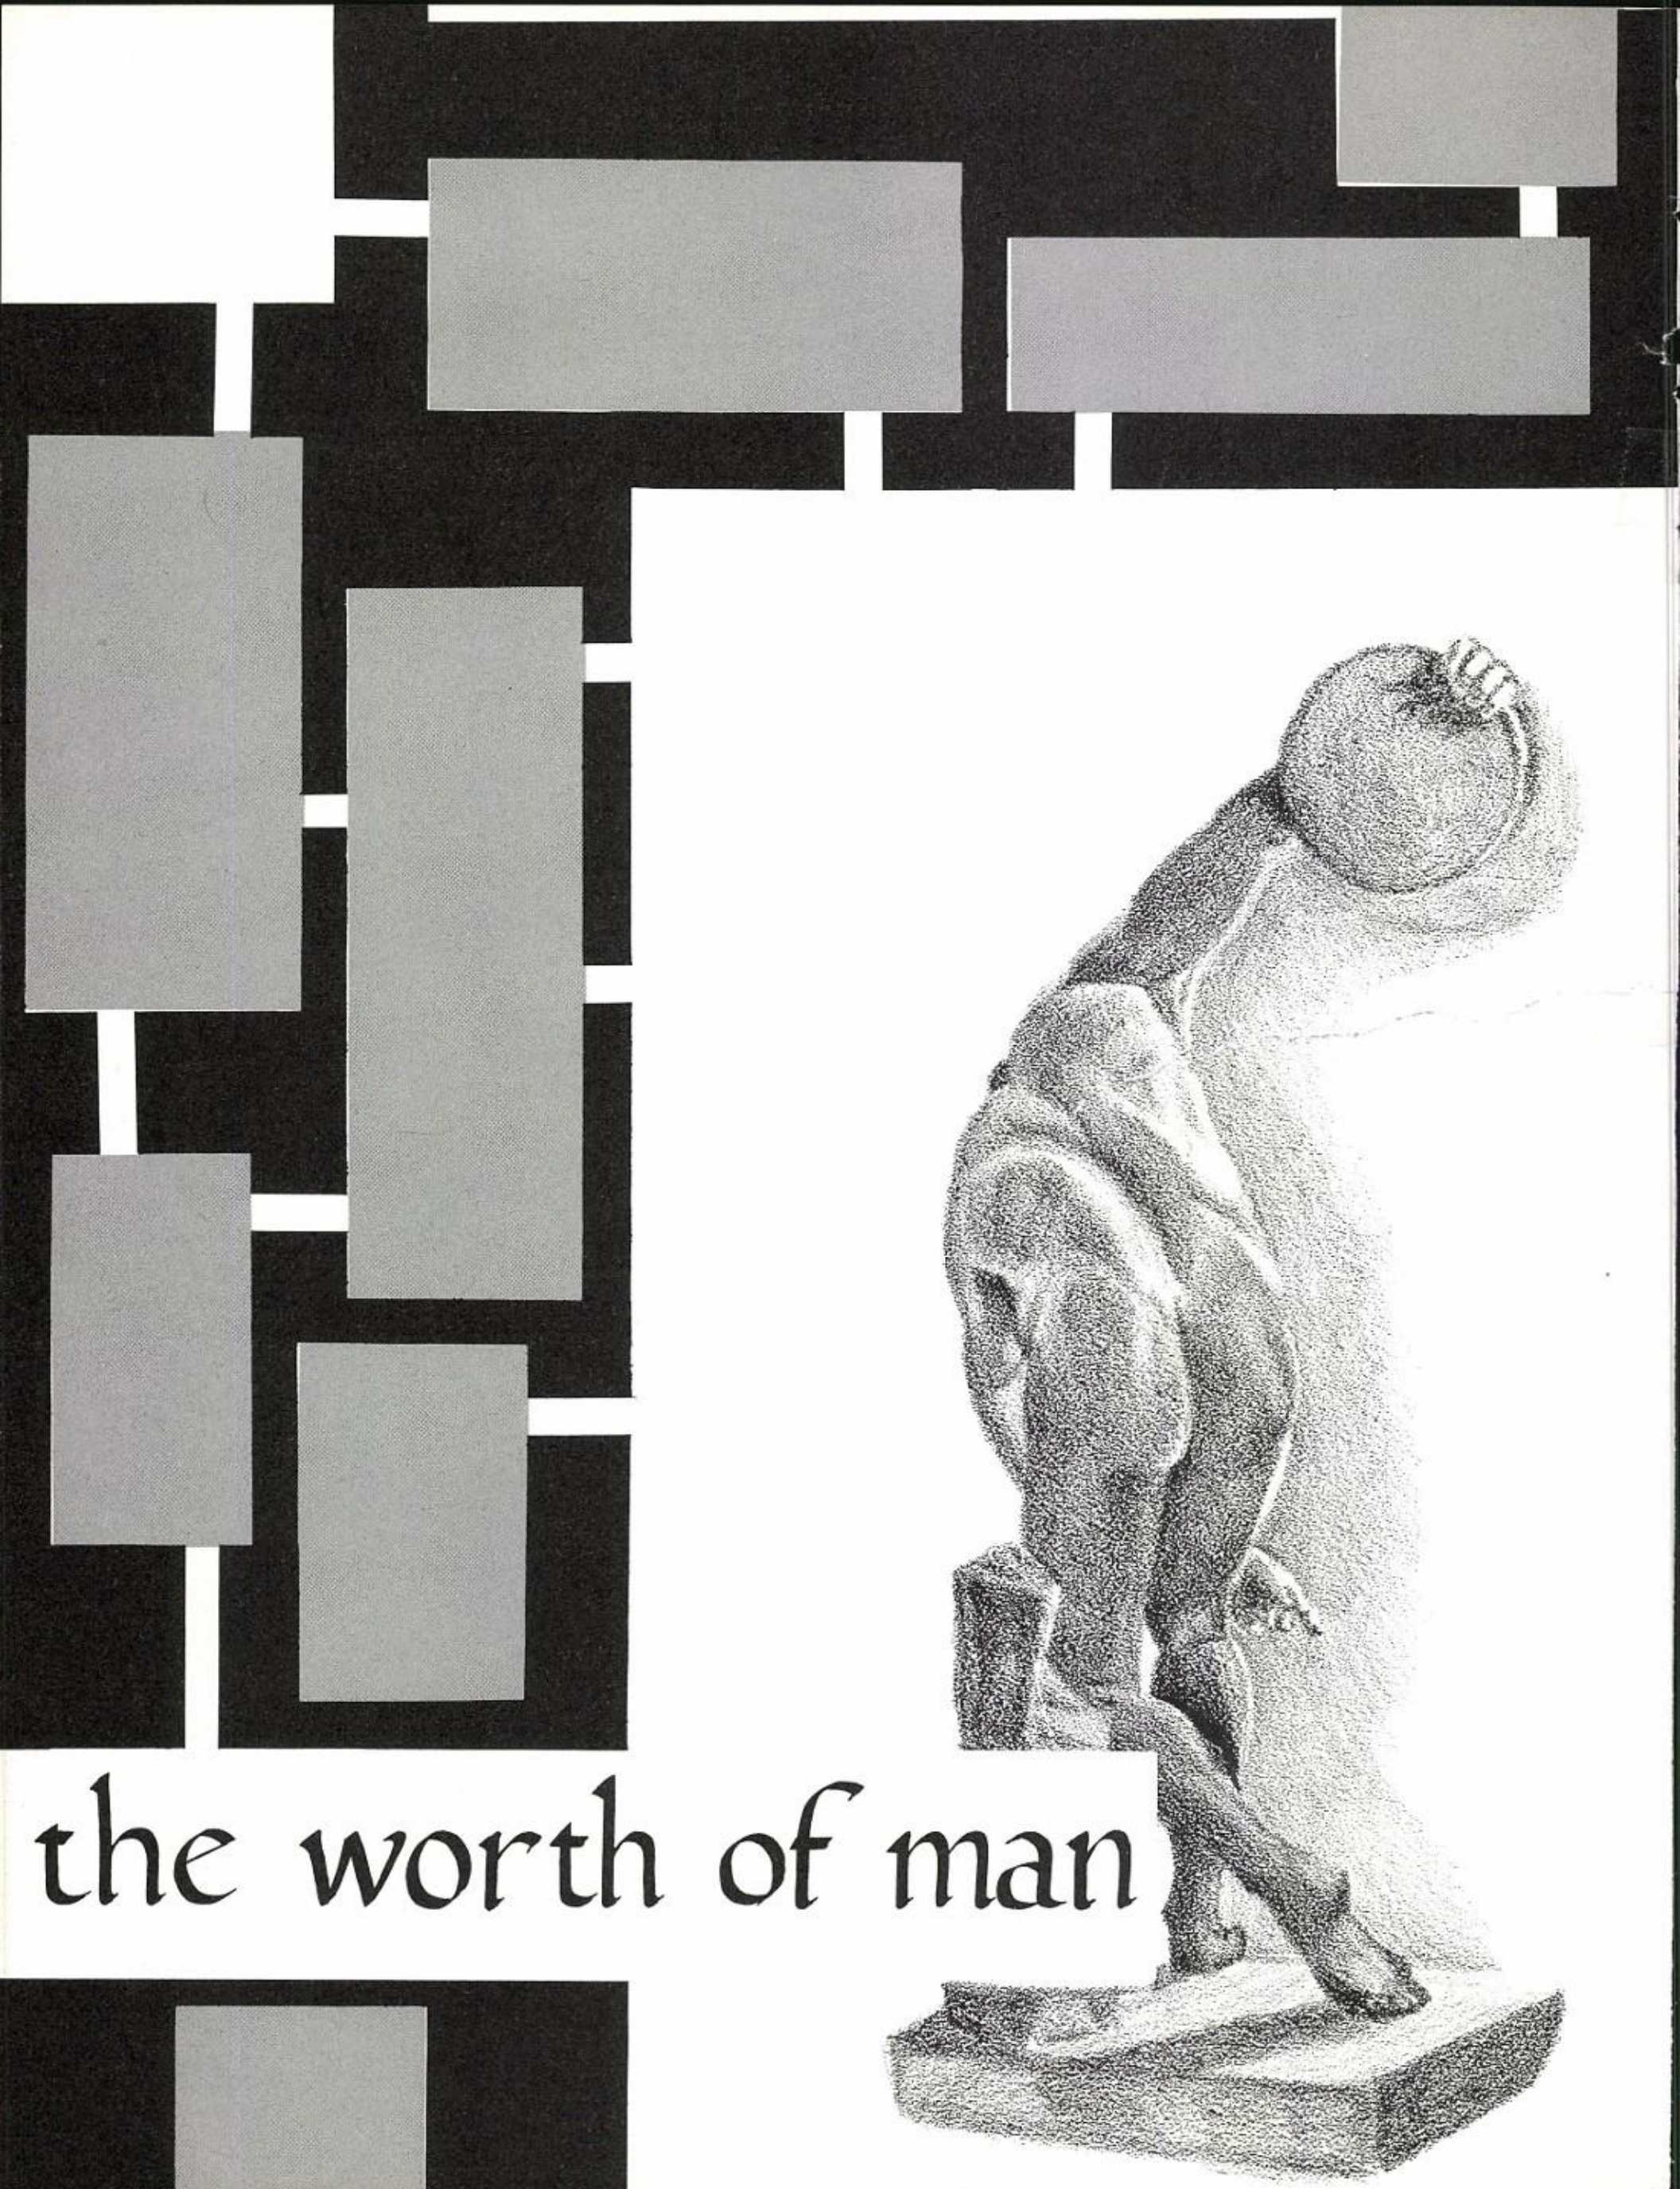

John Fitzgerald Kennedy

Born—May 29, 1917
Died—Nov. 22, 1963

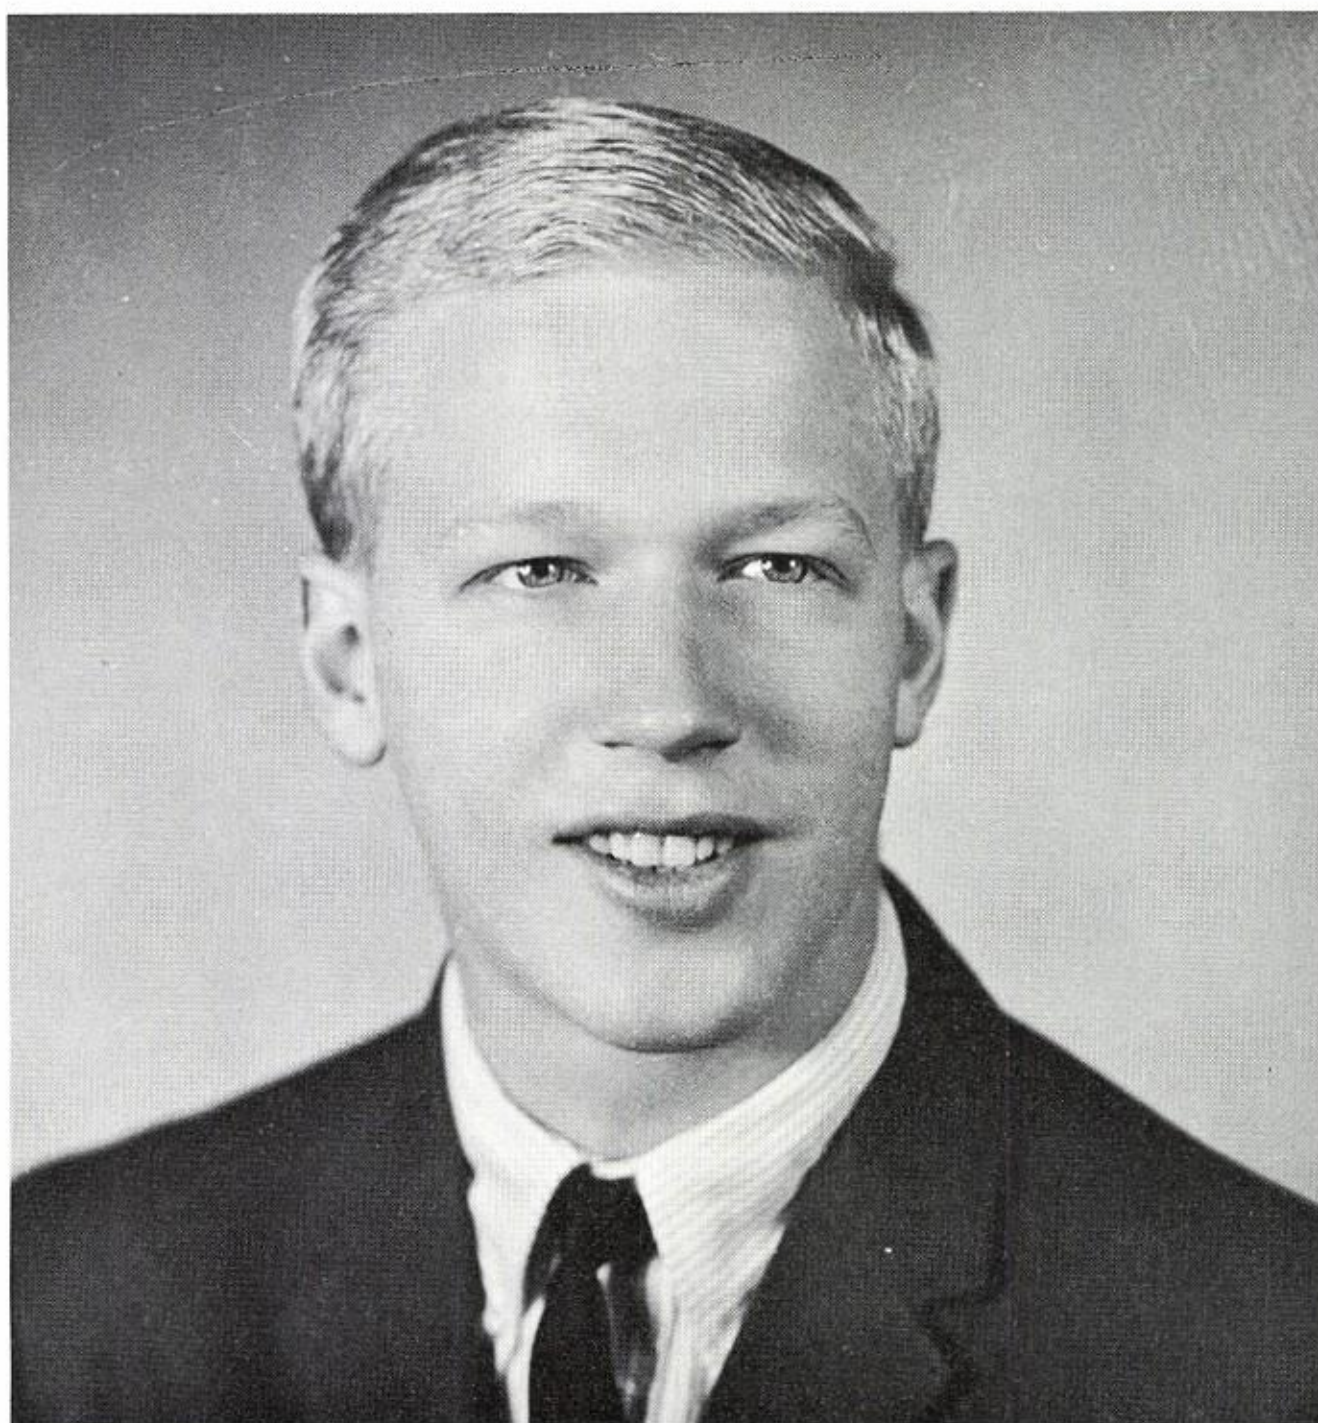

JFK, the second of nine children, was born to an Irish immigrant family in Brookline, Mass. At the age of forty-three, he was elected on the Democratic ticket as the thirty-fifth President of the United States. Faced with the Cuban missile crisis and the racial difficulties, the late President Kennedy proved to be an outstanding and brilliant leader. A London paper, "The Times," printed John Masefield's feelings on the funeral day, "Grant to us Life that though the man be gone, the promise of his spirit be fulfilled."

General Council President

During the Fall Term of 1963, the Colonial General Council was involved in several important activities. Besides taking part in the annual charity drives and Pride Project, Council members took part in ticket sales for the P.T.A. Spaghetti Dinner. All of the activities were accomplished with a high degree of success.

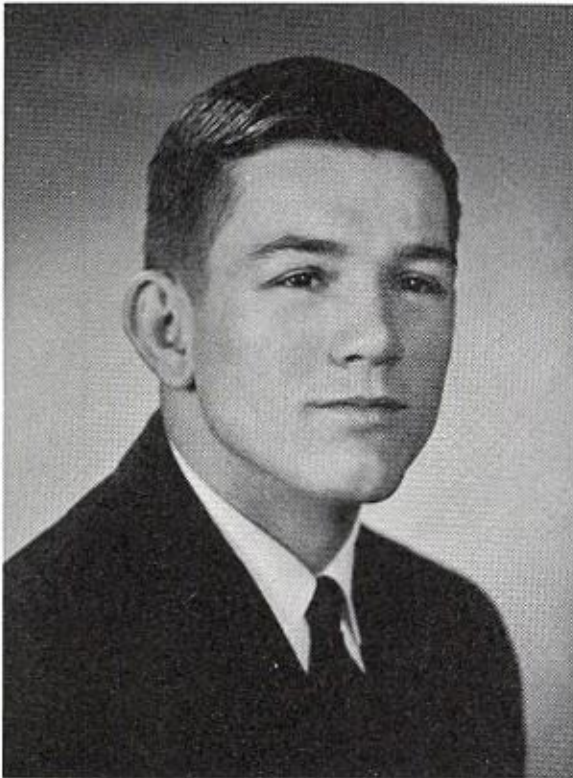

The U.G.N. drive was highlighted by a very successful dance, "The Gayway Ball," jointly sponsored by the Executive Council and General Council. This Friday night affair followed a circus theme. The Fall Council also held a sprit-rouser pizza feed preceding the pre-season basketball game at Reynolds. The student response to all of these projects was generally very good.

The purpose of General Council is the communication of ideas between the students and the Executive Council. The General Council is also the working body behind the Executive Council. They organize fundraising drives and serve on committees.

The Spring General Council was composed of outstanding members of the student body under the leadership of Terry Lodge, President; Terry Greene, Vice President; Katy Cornelius, Secretary; Gary Weiler, Sergeant-at-arms; and Sandy Traver, Chaplain.

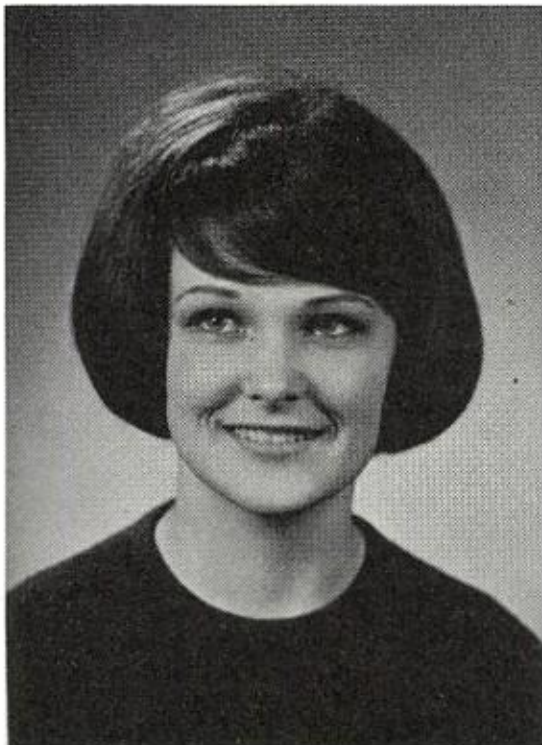

First Row: Terry Greene, Katy Cornelius, Betty Spink, Sue Pitts, Ann Cuddington, Janet Watt, Mary Cheung, Jeff Dullum, Elliot Chinn, Larry Birnbaum, Dave Butler. Sue Pitts
President

The Fall Cabinet brought about a unity among the various service, interest, and honor clubs at Washington. The purpose of the Cabinet was to inform the clubs about school policies, regulations, and upcoming activities, and to strengthen communication between the Executive Council, the General Council, the student body, and the clubs. The Cabinet's main project this year was the Colonial Club Carnival. All club members participated in the planning and the Carnival. Each club had a separate booth, through which they earned money to increase their treasury. Activities of the Cabinet have fostered good fellowship among club members.

Spring Cabinet

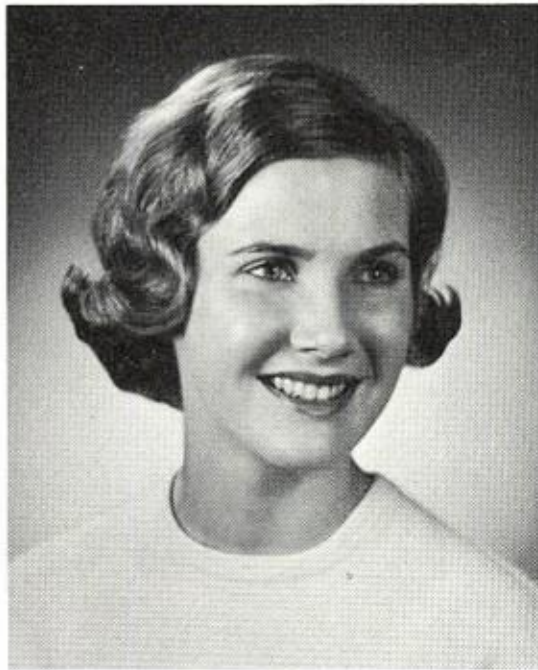

First Row: Carol White, Janet Watt, Jeanne Chartier, Karen Sarna. Second Row: Esther Podemski, Sue Schlicker, Beverly Hurd, Reba Norwood, Diane Espe, Russ Brown. Third Row: Carolyn Bush, Sue Chaperon, Shauna Hoopes, Kathy Bleid, Janet Baird, Gary Weiler, Tim West, Marty Black.

The Cabinet of Washington High School consisted of the presidents of all the chartered clubs and organizations of Washington. Its goal was the effective communication between the administration and the clubs and among the clubs themselves. The vice president of the student body presides over the cabinet.

At the beginning of the Spring term, the Cabinet looked into the possibility of sponsoring a dance in honor of the hopefully state-bound Colonial basketball team. Also planned were discussions of club initiation or "pledging," supervision of the presentation of the activity and scholarship cups to the deserving clubs, and the possibility of joint meetings with other school cabinets to discuss mutual problems. The Spring Cabinet's goal was to help the clubs work together by being itself a closely-knit functioning organization.

The Sapporo Committee, which was formed in the Spring of 1960, is composed of those interested in promoting friendly relationships between Washington High School and her sister school, Minami High School in Sapporo, Japan. This committee has been very active in strengthening the bonds of friendship and goodwill.

This year the Committee had an entire Sapporo Week with a Japanese film and three assemblies. There were also language lessons for the student body conducted by the Japanese members of the group. Mrs. Hobson, as advisor, has worked hard with chairmen Leslie Sutherland and Sandi Traver and the other members of the Committee to make a successful year by doing everything possible to strengthen the bond between the students of Washington and Minami.

Sapporo Committee Plans Week's Activities

Mrs. Akira Saheki and Mrs. Ben Soejima give a demonstration of the koto, a Japanese musical instrument.

Guests enjoy an interesting assembly put on for them by the Sapporo Committee.

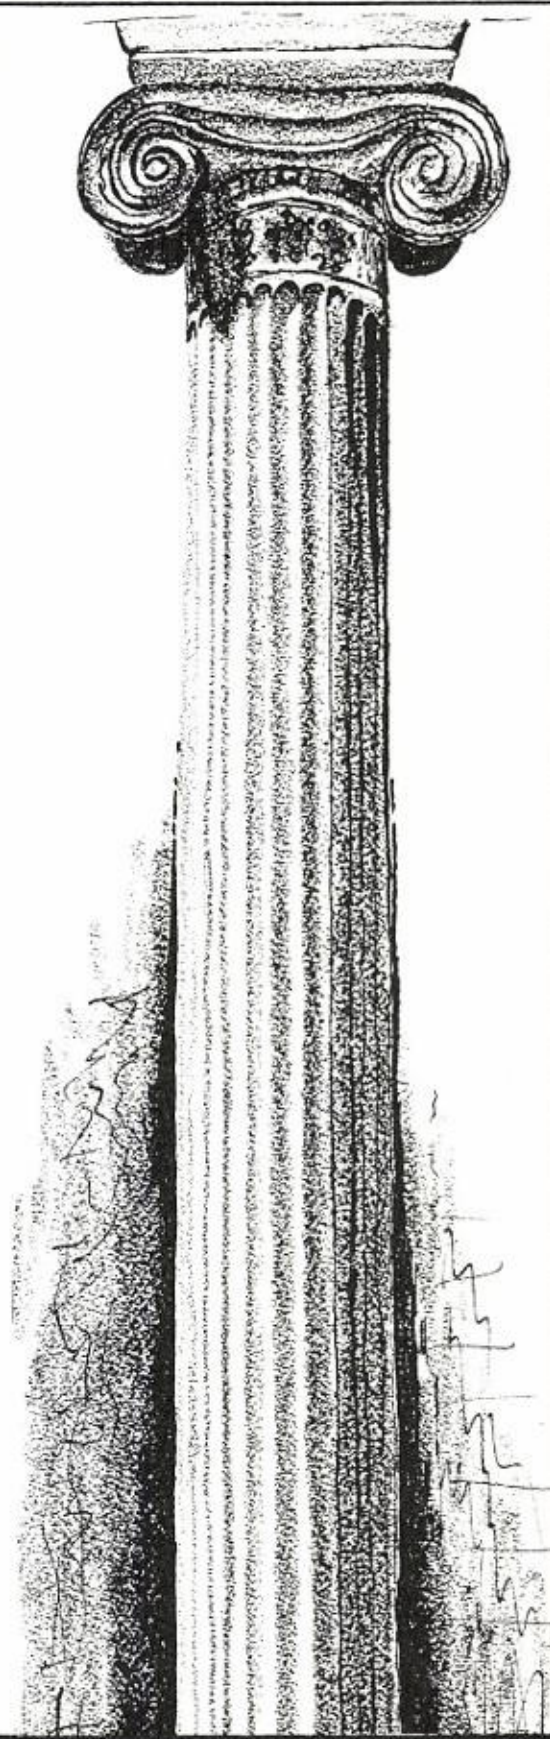

During Sapporo Week, April 20-24, the Japanese influence was felt in the classrooms, the library, the halls, the cafeteria, the gym, and even in the attire of students and teachers. The activities included freshman art displays, as well as the art work done by the various art and shop departments; a daily Japanese language lesson for all students; a display of valuable Japanese artifacts; and authentic Japanese movies.

On Thursday of Sapporo Week there was an assembly for the girls featuring Jo Roddy, the Ice Capades star, who visited Sapporo last year and who graduated from Washington. Miss Walker's dance group did several authentic Japanese dances. Yoskike Sato and Hidoko Ibi also did a Japanese dance.

On Friday, approximately one hundred guests descended on Colville. Some were Japanese officials, and others were connected with the Sapporo Committee of Portland and the Japanese Garden Society of Oregon, of which Washington is a member. The guests were escorted by members of Washington's Sapporo Committee who were dressed in Japanese kimonos.

Entertainment from WHS included Mr. Heick and the Choir who sang several numbers, and a Colonial group made up of several members of the orchestra. Visiting guests performing at the assembly included a professional Japanese musician, and a Japanese exchange student from Sapporo. A tea ceremony was held on stage.

The Sapporo Committee put tremendous effort into the week's activities and Colonials gave their full support.

President's Proclamation

Our destination lies just a few million miles before us, and it is time to eject the second stage of our space rocket and fire the third stage. Because a great deal of money and labor has been used to prepare us for flight and guide us through the first two stages, we cannot afford to misfire now. Although the third stage may seem the most important because it will determine our success or failure, the first and second stages were equally essential. Without the help of the fine technicians we would still be on the launching pad.

Just as preparation, training, and experimentation go into the successful rocket flight, so do these same things form our lives. As we graduate from Washington High School, the second stage of our training gives way to a third. Because we have been expertly prepared by the teachers at Washington, we will be able to meet the challenge of reaching our destination. As the rocket is able to reach great heights, so are we—the students of the class of 1964.

James Haek
President

Class Song

Tune: "The Way You Look Tonight"

Someday, when we're old and gray
We'll look back again to our graduation
Ne'er forgotten—
No, we'll ne'er forget our school.

Mem'ries, things that we have done
The laughter and the fun
Contests that we've won and all
our spirit
We bequeath to you, our school.

Now the time comes that we must part
We'll miss our teachers dear
And our teams that fight from the start
We filled the stands to cheer.

Seniors, tears may blind our eyes
As we realize—
Our high school days have ended—
We wish we could stay with you
No, we'll not forget our school.

Mrs. Louise Lothspeich came to Washington in the fall of '62. It's most difficult for a person to take over a job where another person has left off. The senior girls have appreciated Mrs. Lothspeich's devotion in helping them, and they would sincerely like to thank her for the excellent guidance she has shown them.

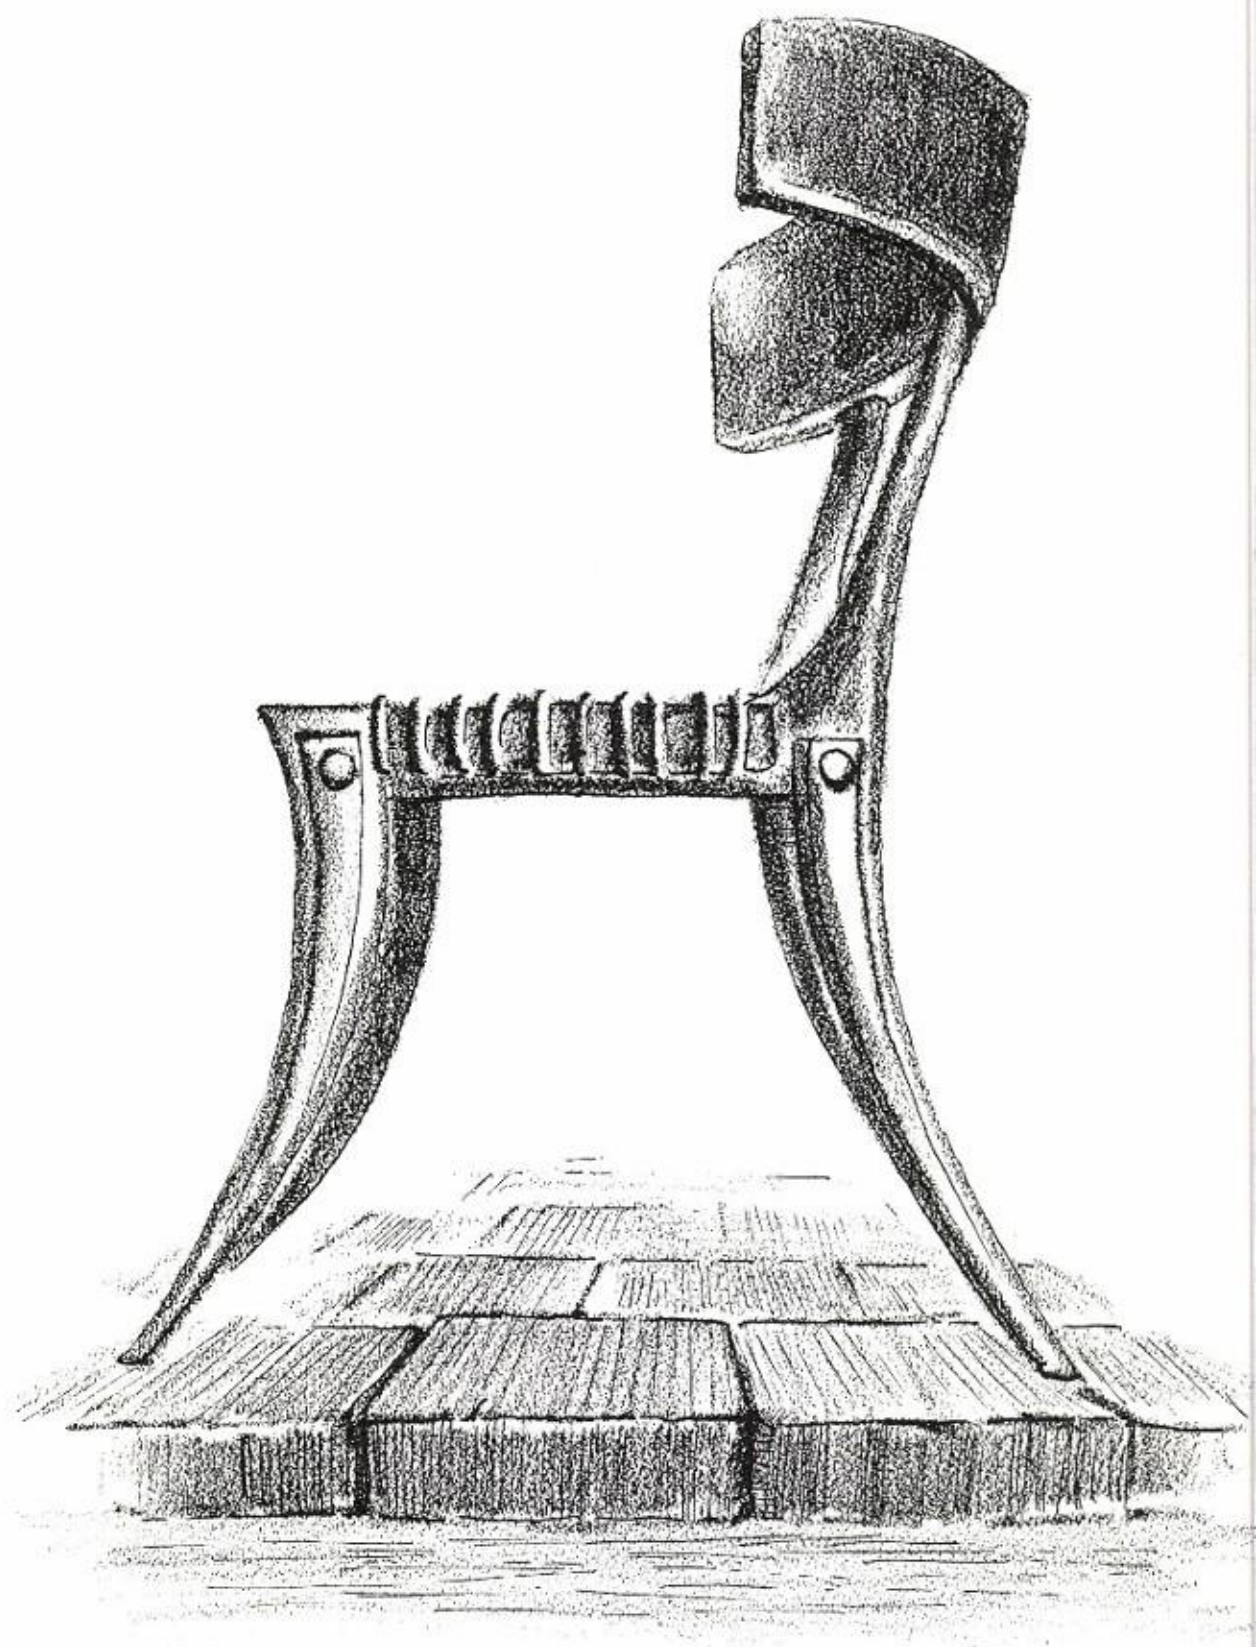

Mr. Larry Keck has been the counselor for the boys since the spring of '63. He has always found the time to help each boy with his personal problems. The boys would like to express their gratitude for his untiring efforts on their behalf.

All School Talent Portrays "Fair Exchange"

A romantic faculty member, Agnes Franklin, devises a plan to exchange the top male student from her school with that of the sister school in Ohio. These honor students will then escort the top female honor students of each respective school to the annual Spring Ball. En route to the Long Island high school, Ched Armstrong is mugged by a teenage gangster named Dino Dirkin. Dino then goes on to Long Island in Ched's disguise, now better able to continue his robberies of gas stations. The action of the play is climaxed as Dino, attempting to kidnap the heroine, Peggy Wilson, is netted by a junior detective, Diana Wilson, in a suspenseful ending. The play was considered very well done and enjoyed by all. The play cast extends thanks to Mr. Matson for his fine direction.

"Have a wonderful time—both of you."

"I'll count to three and if Peggy isn't over here by that time, you get the first slug! . . . One! . . . Two! . . ."

The annual Pancake Ball is put on by the Dad's Club in order to raise funds to finance athletic functions. The Dad's Club worked hard this year as they do every year to make sure everyone has a good time. The usual prizes were offered for the most tickets sold by an individual and the most tickets sold by a class. Michele Bergstrom won the transistor radio by selling the most tickets and the cash prize went to the Sophomore Class. The Sophomores not only won the ticket sales but also the spirit contest. They went on to have their candidates crowned queen and king at the dance.

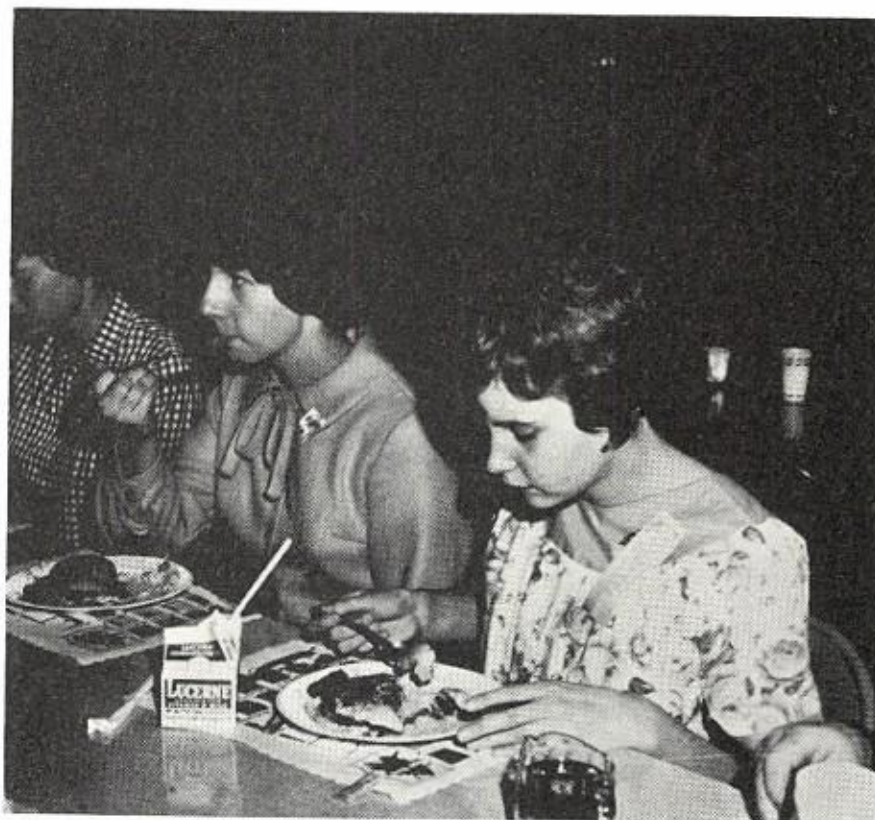

The Dad's Club deserves much recognition for the fine job they did on the Pancake Ball.

"The Death and Life of Larry Benson" was a serious drama presented by the Class of '65. It was the story of a boy who had been reported missing in action and was now supposed to be returning home. The conflict came in when the boy came home as Larry Benson and who was not Larry Benson at all. Also entering the plot was a disagreeing mother and father and an understanding teen-age sister. The story told how the Benson family worked out their problem, faced the reality of the death of their own son, and decided to help the boy who thought he was Larry Benson.

A Summer In The Netherlands

Marilyn Hanson, Washington's A.F.S. exchange student to The Netherlands.

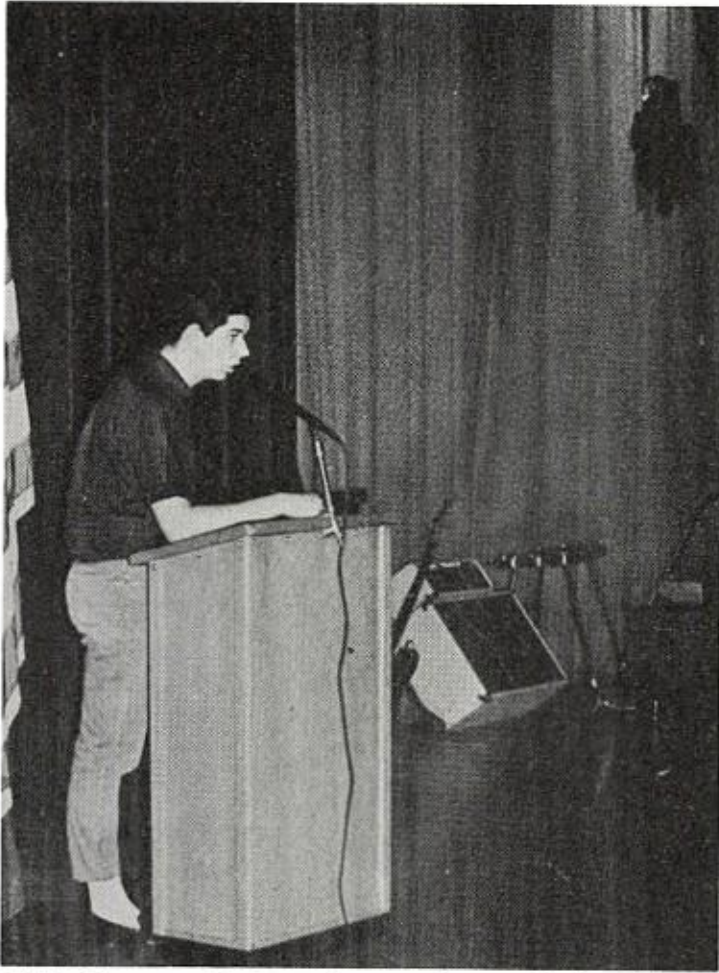

Last summer I lived with a European family and gained a deeper insight into the meaning of "international understanding and brotherhood" as an American Field Service Exchange Student to The Netherlands. From my arrival in Bilthoven to my departure, I learned to live like the Dutch. Papa, Mama, my seventeen-year-old sister Rickie, and my four younger brothers and sisters were eager to teach me their language, show me their country and explain their customs and ideas. It was after I could understand and speak to the Dutch people in their own language that I really came to know them. I went bicycling, swimming, hiking, dancing, played soccer, and I learned to sing Dutch folk songs with my family and friends. Even though people may have a different language, customs and way of life, they have the same feelings, needs and emotions. They're just like us.

Neak, formerly called Neakahnne meaning "heights of great learning," was formed thirty-seven years ago as a liberal arts club. With its motto "Profit With Pleasure," the girls have always strived to promote friendliness in the school. Along with its annual Octopi Sale, Neak has held other money-making projects. The girls have volunteered their services at a children's hospital, as well as other service projects. Recently, Neak has gained a sister club at Cleveland to help promote friendship with other schools.

THE WASHINGTONIAN is the bi-monthly Colonial newspaper publication. This year eighteen second-year journalism students published the paper under the advisorship of Mr. James Maloney. The staff strove to present news for all interests in the school—from sports to dramatics, concerning teachers, parents, and students. Getting the paper to press involved tracking down all possible news stories and picking which to use, planning for the placement and arrangement of the stories, and writing the stories, headlines, and picture captions. Work on THE WASHINGTONIAN has satisfied and encouraged staff interest in the field of journalism.

Coach Larry Keck

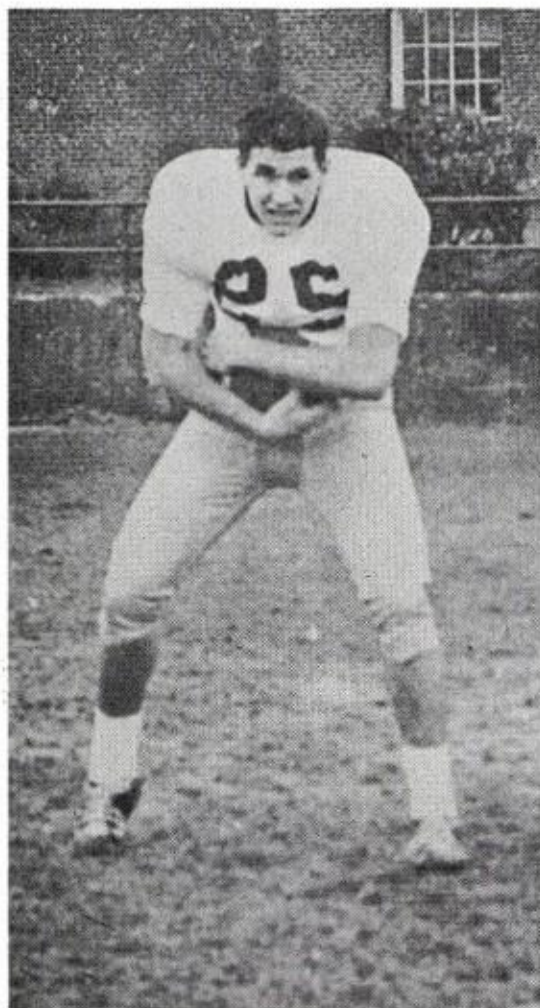

Football

Cols Have Rough Season

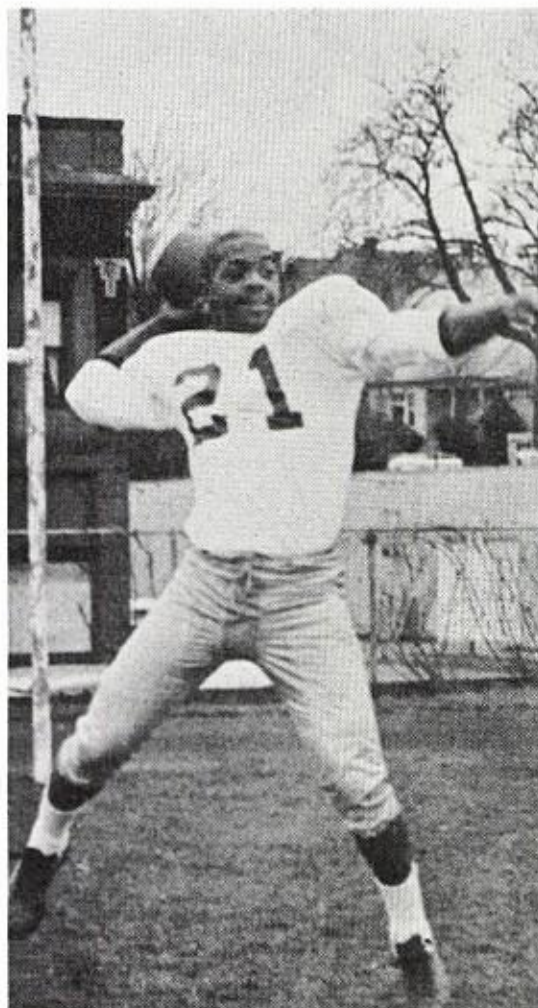

The Wa-Hi football season can't be called a success but it was outstanding in many ways. Bad breaks seemed to plague the Colonials many times throughout the season. Last minute efforts were not enough to capitalize on scoring drives for Coach Keck's team.

The Wa-Hi team was dotted with many outstanding players. But for the most part Wayne Hodges, Rick Pidgeon, and Terry Greene seemed to be the most consistent. Rick Pidgeon, voted to the honor of All-City first team defensive tackle showed himself more than once to be hard-nosed on defense. Rick was also awarded the team's top tackler after compiling over 70 tackles. Terry Greene and Wayne Hodges were the one-two punch of the Colonials, with Wayne slipping around the ends and Greene powering up the middle. Wayne and Terry both were awarded All-City positions, Wayne being rush king and also receiving most valuable player of the P.I.L.

Basketball

Colonials First to Earn State Berth

Picked for no better than fourth by the newspaper pollsters, Mike Doherty's hoop squad notched a 19-6 mark, including Wa-Hi's first trip to the State Tourney since 1948.

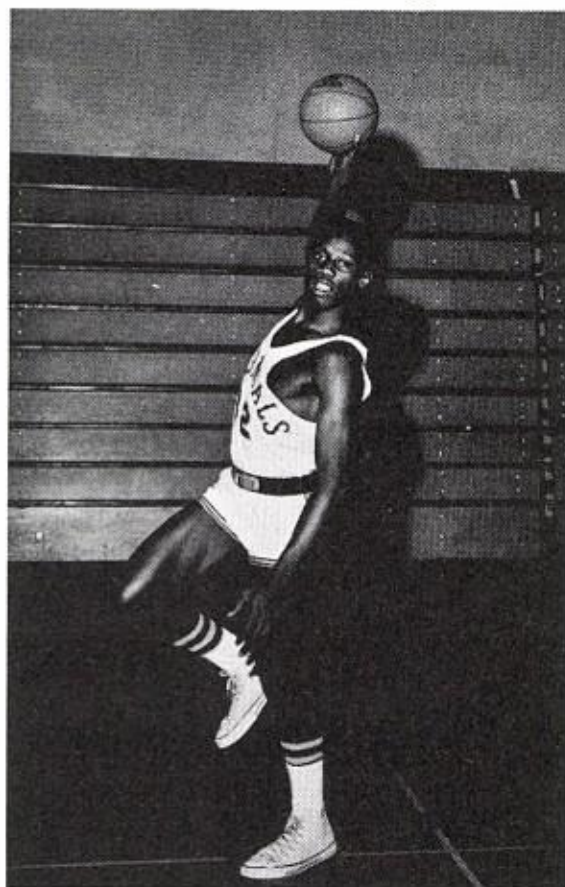

Balance was the key to success as all starters were high point men on one or more occasions. Matt Jones was season point total leader with a 17 point average. Steve Settlemier added 13, Tom Jones 12.5, Walt Hixson 11.2, and John Hart 9.8 to round out the league's No. 2 and state's No. 4 ranked team in scoring with a 68 per game average. Defensively the 52 points given up average was the PIL's best.

Enroute to carving out the city's best won-lost mark, the Stark Street cagers beat both pre-season favorites Grant and Jefferson twice. The second triumph over Grant 59-46 on the Colonials' court assured Washington the PIL's 1st place representative, despite not having been awarded the league 1st place trophy. Two heartbreaking losses eliminated the Colonials as South Eugene eked out a 65-64 win in overtime and Medford won 51-49.

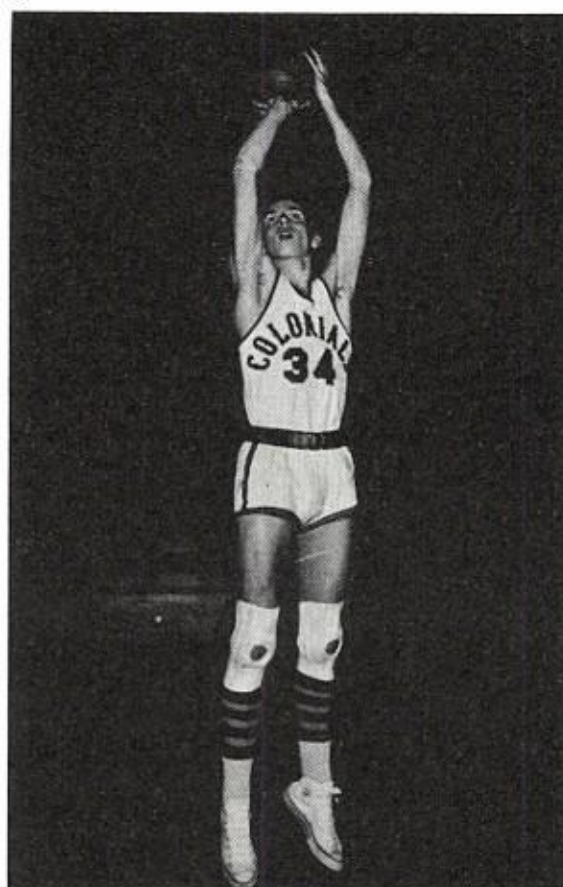

Despite the unfortunate Tournament showing the Col-Hi hoopmen were given some cause for cheer in individual honors. Matt Jones was picked on the Journal's 1st team All-State and 1st team All-City on all the newspaper polls. Tom Jones was a Reporter 1st team pick as well as 2nd team choice for both the Journal and Oregonian and a Journal 4th team All-State member. Steve Settlemier was a Journal 2nd team choice and Reporter and Oregonian honorable mention receiver. In addition Steve was given honorable mention in the Journal's All-State poll. Walt Hixson gained honorable mention from the Reporter and the Journal. John Hart was a Journal 3rd team pick as well as honorable mention winner from the Oregonian and Reporter.

Coach Carol Mayte

Wrestling

The 1964 Washington High Wrestling squad, under the able coaching of Mr. Mayte assisted by Mr. Aldridge, had some tough breaks this season resulting in a losing season. However, there were four outstanding grapplers on the squad. Russ Brown who was the most outstanding member and captain of the squad, wrestling at 123 lbs., compiled a 15 win, 2 loss record. In the meet he was third and missed going to state by a referee's decision after a tie and an overtime.

The team suffered a setback this year as five lettermen did not turn out and two others transferred out of the district. This left Wa-Hi a little short on experience, and consequently the team as a whole suffered.

Track

Coach Walter Aldridge

The 1964 Colonial Track Team entered into competition this year with young and inexperienced cindermen. The squad had the benefit of only two outstanding team members who were counted on heavily to carry the load through the tough meets. These two were Wilfred Scruggs running the high hurdles and high jumping, and Ted Frost who was outstanding in pole vaulting. Ted rarely lost a match.

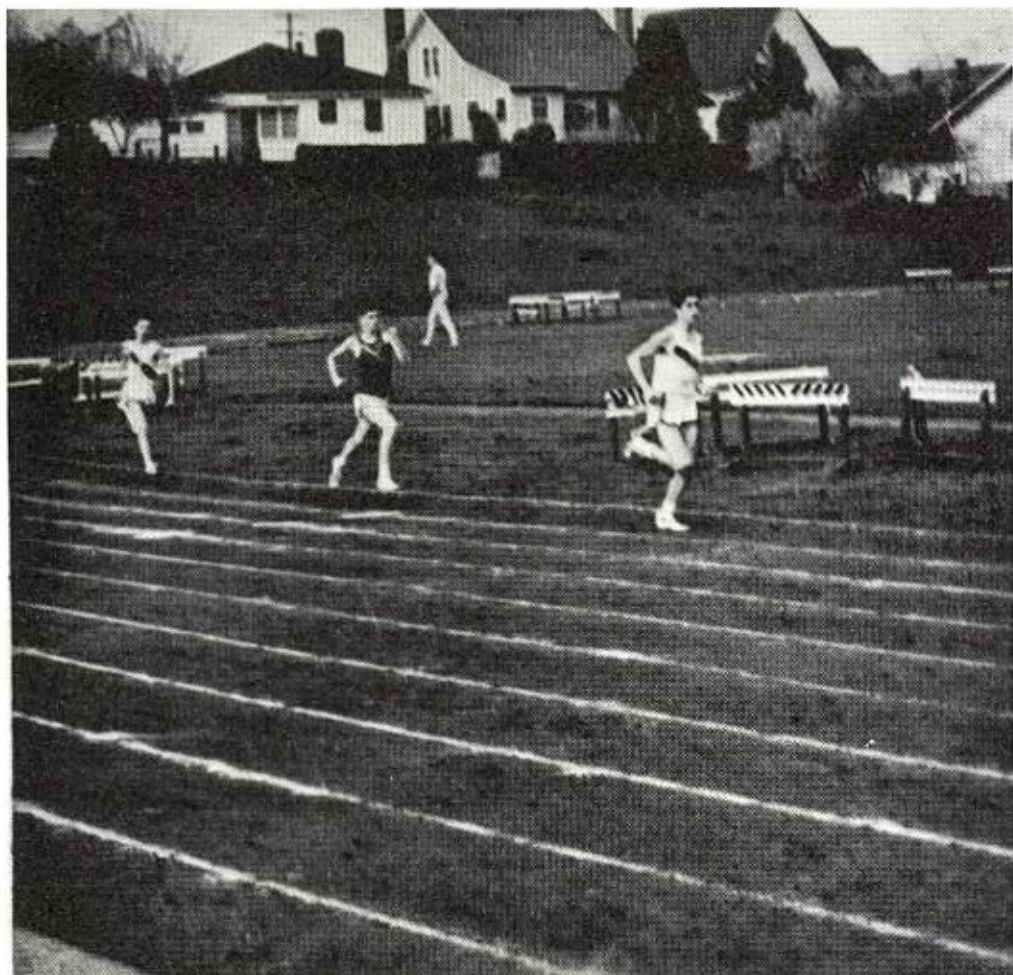

Because of the fact that most of the team members lacked experience, the team as a whole suffered and consequently did rather poorly this season. However, next year's squad should improve and have a considerably better season.

Coach Paul Poetsch

Baseball

Paul Poetsch's 1964 Varsity Baseball squad, up to this point, has been powered by strong individual performances by Tom Jones, Joe Raffaele, and John Zwick at the plate, John Hart and Tom Shaw, pitchers, and outstanding effort from the entire squad.

Jones and Raffaele are currently among the league's top batsmen, while Hart is near the top in the strikeout department. Frosh hurler Tom Shaw came up with two of the season's top wins in stopping Franklin 6-2 and highly touted Jefferson 3-1. Hart shut out Cleveland 1-0, striking out 15 Indians in the process. Tom Jones smashed a towering two-run homer to help kyo-in another win, 8-5 over Benson. In the same game, Hart, Zwick and Raffaele had two hits apiece.

This year's tennis season was a good one for the Colonials, led by juniors: Steve Weiner, Lynn Stainbrook, Dan Christiansen, Duane Epton, and Jeff Dullum. The team recorded victories over Jefferson, Marshall, Franklin, and Roosevelt. Other starters who will return next year include Gordon Lee and John Wahl. With the entire team returning next season, plus some promising freshmen, the future looks bright for Washington.

In spite of adverse spring weather conditions, the girls' tennis team traveled by taxi to win over Marshall, Cleveland and Roosevelt. Improved skill and endurance gained this year should bring even more victories in 1965. No. 1 Singles Judy Hockley and No. 2 Singles Linda Neale are returning next year. Both girls are fortunate enough to have fathers who are greatly skilled in tennis to coach them. All the girls will be returning to the squad next year with the exception of Debbie Kilburn, senior.

acknowledgements

This year, the Lens has had more than its share of handicaps. There were many students on the staff who had not had any previous experience. However, they buckled right in and did a superb job. Mr. Gerald Hagan took over as the advisor this year, and by learning the running of a yearbook, he steered the rest of us on to the right decisions.

I would like to express my thanks to the staff who tried so hard and did so well. Also many thanks go to Mr. Hagan who helped me on so many matters.
